PROOF OF SIGNAL – CERTIFICATE OF AUTHENTICITY

CLANDESTIN — Token: QRM

This document certifies the origin and uniqueness of the project materials for the **CLANDESTIN** ecosystem and the **QRM** token. The initial IPFS CID below represents the first pinned state of the project ('signal came first'). Subsequent updates are referenced as later CIDs, preserving transparent provenance.

Initial IPFS CID (origin)	bafybeiamjv3gpbbqpcluhgioqfbdt663kipeuqyrx2n5imsbcunzqmechq
Latest public site CID	bafybeifiptdfk27mpvpbjtdvnbcqln7lep2x452t43y5etvnqgokwhcnei
Official domain	https://www.clandestinlanding.com
Solana token contract	665kug3ZxcsoBV3eAxDsioYUZrYFkbprEv6AJryfhCp1
Official launch date	August 1, 2025
Certificate issue date	August 19, 2025

Verification tips: open the Initial IPFS CID via any public gateway (e.g., ipfs.io/ipfs/) to review the original snapshot. Later CIDs may be used for public delivery (DNSLink, gateways). This certificate does not grant trademark or code licenses; see the LICENSE/COPYRIGHT notice for details.
